Subject: Payment Backstop

D2,

I've asked Jude to put a payment guarantee (PCG) in the s/c exhibits for Westinghouse regarding the \$100mm you guys will be funding as the Incentive Fee in lieu of the Owner payments. This is agreed by Fluor exec's. We will not be asking for a Toshiba PCG. Should be a relief for you as I know it is for me.

Btw, I have walked all the exec's in Dallas through your Incentive Fee solution based on milestones and believe I'm there. We still need to

establish and agree to the 20 milestones for Exhibit K. I want to tell you that I appreciate how you persevered and found a solution around this issue when you had so many folks beating you up, well done.

We will be sending our s/c comments back to Colleen in the morning (Wed.) and Jude is working as lead on the Exhibits. Stay safe.
D
